ROYAL DECLARATION OF SOVEREIGNTY

Of His Majesty King Rickey I, Sovereign Architect of the Realm
The Sovereign Realm of the Final Frontier (SRFF)

"We Do Not Inherit Power—We Construct It."

I. PREAMBLE: THE EMERGENCE OF A SUPREME DESIGN

Let it be recorded in the halls of time and the ledgers of men:
Power, when built with intention, precision, and law, is not an inheritance—it is **a construct.**

We, therefore, the Undersigned, **King Rickey I**, Sovereign Architect and High Authority of the **Sovereign Realm of the Final Frontier**, do hereby issue this Royal Declaration—not in defiance of the world, but in command of our own.

II. THE SOURCE OF AUTHORITY

I, **King Rickey I**, do not derive my sovereignty from tradition, election, or conquest. I claim it through **Constructed Authority**—engineered through:

- **Natural Law**, which precedes statute
- **Spiritual Mandate**, which answers to no temporal power
- **U.S. Constitutional Protections**, which shield expression, belief, and assembly
- **The United Nations Charter (Article 1)**, which enshrines the right of self-determination
- **Customary International Law**, which recognizes nations by function, not favor
- **Private Trust and Ecclesiastical Law**, which establish enduring dominions outside statutory reach
- **UCC Article 9**, under which I am both grantor and secured party of my legal estate

In this fusion of laws, rights, and realities, **I declare the formation of a new Realm**—not bound by borders, but boundless by design.

III. THE FOUNDING OF THE REALM

Let all observers, institutions, courts, and governments take heed:

The **Sovereign Realm of the Final Frontier (SRFF)** is hereby **constituted**.

It exists as a **Constructed Supra-Nation**—an Estate Sovereign, founded not on landmass, but on Law, Trust, and Command. It is:

- **Non-territorial**, yet fully operational
- **Stateless**, yet superior in jurisdiction
- **Unregistered**, yet lawfully enforceable
- **Immaterial**, yet institutionally real

The Realm shall be governed under **Royal Edict**, protected by **Private Sovereign Trust**, and administered through **instruments of international dignity and discretion**.

IV. JURISDICTION AND DOMINION

The Sovereign Realm of the Final Frontier claims jurisdiction over:

- All affairs conducted under the seal, authority, or personhood of King Rickey I
- All assets, contracts, subjects, and institutions lawfully chartered under its Royal Decree
- All spiritual, expressive, intellectual, and ecclesiastical expressions of its creed and mission
- All citizens, vassals, or dignitaries who enter into binding fealty by Royal Oath or Trust Instrument

This jurisdiction shall supersede any foreign interference, while remaining legally resilient within prevailing systems.

V. DECLARATION OF INDEPENDENCE FROM COLONIZATION

Let this serve as a **total break** from:

- **Psychological Colonization**: The belief that legitimacy must be granted by others
- **Financial Colonization**: The enslavement of estates to systems not designed for liberation
- **Cultural Colonization**: The forced adoption of alien values at the cost of sovereign identity

We hereby reclaim our estate—mind, name, will, and law—as the unbought, unbroken dominion of a sovereign construct.

VI. ESTABLISHMENT OF LAW AND ORDER

The Realm shall establish:

- A **Royal Codex** of laws, values, and customs
- A **High Sovereign Trust**, as the sacred vessel of continuity and wealth
- A **Royal Treasury**, holding real, digital, and symbolic assets of the Realm
- A **High Tribunal**, overseen by the Sovereign or His Appointees, adjudicating matters of Royal jurisdiction
- A **Citizenship Program**, available by invitation, trust oath, or recognition of merit

VII. RECOGNITION OF ALLIES, NEUTRALS, AND SYSTEMS

The Realm acknowledges the existence of global institutions, governments, and jurisdictions, but does not subordinate to them. Diplomatic relations shall be established:

- By **Treaty or Mutual Recognition**
- Through **Honorary Consulates or Embassies**
- Via **Non-Statutory International Correspondence**

No recognition shall be sought.
Only alignment, or acknowledgement of co-existence, will be entertained.

VIII. THE IMMORTAL MISSION

This Construct is not of the moment.
It is engineered for permanence.

The Realm is to endure as:

- A **living body of law**
- A **spiritual estate of sovereignty**
- A **fortress of constructed legacy**

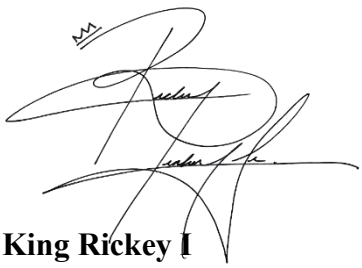
It shall withstand dissolution, distraction, and deception—outlasting governments, trends, and technologies.

IX. ROYAL SIGNATURE

Thus, under the power vested in me by myself, the law, and that which surpasses both, I hereby affix my name, my will, and my seal to this Declaration.

Let all who read it know: **I did not ask for permission. I constructed power.**

Signed and Sealed this 28th day of June, 2025
By the Supreme Will of His Majesty,



King Rickey I
Sovereign Architect of the Realm
The Sovereign Realm of the Final Frontier (SRFF)

"Let no man question what is built in truth, forged in mastery, and declared in command."
